

JOIN THE SOS GARDEN OF HOPE

The Garden of Hope honours dedicated friends who have planned a legacy gift to SOS Children's Village BC. You can choose to remain anonymous, but by allowing us to honour you publicly in ways that suit you, you can inspire others to make a legacy gift as well.

You don't have to be wealthy to give a planned gift. A gift of any size has the ability to change a foster child's life for the better.

We value your support and we give back by:

- providing opportunities for you to make the most beneficial tax-efficient gift.
- responding quickly and confidentially to your questions.
- at your request, introducing you to an independent qualified gift planner to help you with your giving options and specific needs.
- providing complimentary educational workshops to assist you in making informed decisions.

The SOS Children's rose was developed by Delbard Nurseries in France and imported to Canada in 2006.

FOSTERING THE FUTURE

*Your gift to SOS
Children's Village
BC helps rebuild the
lives of BC's most
vulnerable children.*

NEW BEGINNINGS WITH LASTING RESULTS

At SOS Children's Village BC we're changing the lives of children and youth in foster care — for the better. We help BC's most vulnerable kids to overcome the risk factors in their lives that can so often lead to school drop-out, mental health issues, conflict with the law, and life on the streets.

In our SOS Children's Village, foster children experience an enriched and safe home environment. Our village of stable, supportive homes helps each child to reach their potential. And we reach out to meet the needs of children and youth at risk in our communities, through our therapy and neurofeedback programs, literacy and school support, and camp experiences.

Help us to help BC's foster kids, with a lasting gift to SOS Children's Village BC.
