

**“NOTHING IN
THE WORLD
IS MORE
IMPORTANT
THAN TO CARE
FOR A CHILD.”**

– HERMANN GMEINER, FOUNDER, SOS
CHILDREN'S VILLAGES

FOSTERING NEW BEGINNINGS

Every day, BC's foster children face big challenges. SOS Children's Village BC helps them meet those challenges, by providing love, support, and family stability in our village of twelve foster homes and five transition suites in Surrey, BC. We're part of SOS Children's Villages International – the largest privately funded children's development program in the world. Growing up without a parent can be tough, but at Canada's only SOS Children's Village we give kids in care a village of belonging and homes filled with hope.

FOSTERING GROWTH

SOS BC supports foster children, youth at-risk, and foster families with programs and services that help them lead healthier, more productive lives. Our services include:

- Caregiver support and professionalization
- Cultural activities and awareness
- Expressive arts and play therapy
- Individual and family counselling
- Learning and homework clubs
- Sounds of learning music program
- Subsidized housing
- Transition to adulthood program
- Youth housing year intensive program

FOSTERING THE FUTURE

We find solutions and create opportunities that help children at risk achieve their full potential. You can help, by contributing to SOS Children's Village BC to fund vital programs that enhance the lives of foster children and vulnerable families in our communities.

**Because every child deserves to grow up in a
safe, stable, loving environment.**
