YOU CAN CHANGE THE LIFE OF A CHILD IN NEED

Every day, BC's children and youth in care face big challenges. But there are charities the Foundation supports that help foster children and youth at risk meet those challenges. One of those is SOS Children's Village BC – they provide love, support and family stability in a community-integrated village of twelve foster homes, and five suites for youth aging out of care, in Surrey, BC. SOS Children's Villages International is the largest privately funded children's welfare program in the world. Growing up without a parent can be tough, but SOS BC gives foster kids homes... and hope.

You can help, by supporting the SOS Children's Village Thrift Store Foundation. Your donation of gently used items to our thrift shops will help fund vital programs that enhance the lives of foster children and vulnerable families in our communities. Because every child deserves to grow up in a safe, stable, loving environment.

OUR MISSION:

To operate thrift stores that support charitable organizations such as SOS Children's Village BC – who provide support and services to foster children, foster families, and youth at risk - and to provide direct relief to poor and homeless youth in care/ at risk in the form of free thrift store items or employment and training opportunities.
